## 40 PASSENGERS ARE ROBBED BY TRAIN BANDITS

### Guns Roar As Swash-buckling Holdup Men Invade Cars

### ONE MAN RESISTS, WOUNDED IN HIP

### Quartet Takes Command As Train Pulls Out of Chicago

(By Associated Press)  
KANKAKEE, Ill., April 5.—Four swash-buckling "two-gun" natty dressed robbers who held up nearly fifty aboard the crack Gulf-coast train, the "Louisiana," were sought in a wide-spread man-hunt today. Their loot totaled only about \$843, railroad reports said.

Taking virtual command of the train in a reign of terror, cowering aboard for some twenty minutes as the train sped southward out of Chicago last night, the gun-men, each armed with two .45 caliber pistols, escaped after shooting and wounding one man, and commandeering the automobile of Edward Goetzler, 26, of Kankakee, Ill., when they kidnapped.

### Salesman Resists

The wounded man was George E. a salesman from Chicago, who was the hip when he resisted the gunmen in the apparent belief that they were only "kidding." He was taken to a local hospital.

One of the gunmen shot him when he lured against a robber. The bullet penetrated his bill-fold which contained \$40. He was compelled to surrender the money, but the punctured wallet was returned.

Firing wildly several times to put the fear of death into their victims, the gunmen, three of whom donned masks shortly before the train reached Kankakee, carried out the raid with the precision of a typical Jesse James robbery of days ago, by detaching the brakesman and a porter, and systematically robbing the passengers in the buffet car and three coaches.

The quartet was believed to have boarded the train in a Chicago suburb.

### Joined By a Confederate

As the train slowed down for the stop at Kankakee the four men leapt out and disappeared, later to be joined by a confederate. Two of the seized Goetzler near the depot only a few minutes before his wounded victim, was brought in for treatment.

After the three other gunmen joined them they forced Goetzler to drive 12 miles to a point near Whiston, where they dumped him from his machine and fled in his car. Posing were thrown into the bus almost immediately, but no trace of the desperadoes was found. Some investigators believe they are hiding in Chicago.

### Schools Will Close For Spring Period

Salem public schools will close today to afford students a spring vacation of one week. Classes will be resumed a week from Monday, April 15.

The Salem High tracksters will hold morning practices at Reilly Field during the spring vacation and Football Coach Lew Smith no doubt will drill his gridders in the same way.

## SENATE PASSES LIQUOR MEASURE

### Overwhelmingly Votes Drastic Changes In Control Law

(By Associated Press)  
COLUMBUS, O., April 5.—The senate overwhelmingly voted drastic changes in the liquor control act early today, but doubt clouded their fate in the house.

The house has a large rural and dry element which has put through a bill to prohibit the sale of beer to persons under 21. The senate bill liberalizes the liquor law to a great extent.

Proponents of the measure began a drive to keep it from the house temperance committee, reputed to be predominantly dry, and have it referred to the judiciary group, composed largely of big city attorneys.

The senate's action on the bill by a vote of 20 to 6 constituted a division of honors between Governor Davey and that body.

### Honors Divided

The governor won his argument for retention of the \$1 gallon-age tax on liquor, but lost his fight against cutting the 30 per cent profit of the state. The senate without knowledge of a reduction to 20 per cent in the markup, approved it.

Governor Davey was assailed by Senator William C. Handley (R. Hamilton) as the "dapper duke from Kent" who during his campaign went about the state telling

## Methodist, Presbyterian, Christian Churches Unite In Easter Program

### Pageantry Abandoned In Favor of Play, "The Rock", To Be Presented April 17 and 18

The Methodist, Presbyterian and Christian churches are again uniting their efforts for the presentation of the city's annual Easter program at the high school auditorium. Following the custom of the pageants of the last several seasons, this year's offering will be given Wednesday and Thursday evenings before Easter Sunday, the dates being April 17 and 18.

### Play Is Selected

Veering somewhat from the strict pageantry effect followed in the past, the churches will offer "The Rock," a play by Mary Hamilton, who gained distinction as co-author with George Orles in "Hamilton."

"The Rock" is a full length three act play, written in inspiring, but not verse, form. It therefore becomes more realistic, more dramatic, than the color of pageantry without sacrificing color or effect. The play portrays the high episodes in the life of Simon, later called Peter, whom Jesus called "The Rock." Renouncing a promising career as a trader and a simple home life with Adina, his wife, Peter decides to follow the Saviour. As the play unfolds Peter is seen returning home, angry because his Master insulted those in high and influential places. But thanks to the steadfastness of Adina and the desire of Mary of Magdala who wishes relief from her sinful life, Peter once again goes to the Master.

### Evening of Crucifixion

Act three takes place the evening of the crucifixion. Peter, who has denied Christ three times, is crazed with the awful realization of what he has done. Through the help of Mary, and in a stirring climax, Peter finally realizes what Jesus meant, realizes that he is "The Rock."

## POLICE ARREST NILES YOUTHS IN STOLEN CAR

### Pair Taken Into Lisbon. Attempt To Escape From Patrolman

### CHASE ENDS ON LEETONIA ROAD

### Wind Up In Jail On Proposed Trip To Jenkins, Kentucky

Two Niles youths are in the village jail in Lisbon today as a result of their failure to escape, in a stolen automobile, from the state highway patrol and county authorities this morning.

The boys are William Miles, 16, of 404 West Third st. and Millard Cutright, 18, of R. D. 1, Niles.

### The youths, according to the story they told police, left Niles Monday on a proposed trip to Jenkins, Ky., where they were going to look for work.

### Find Large Sedan

They reached Stratton, a small community below Wellsville, along the Ohio river. Here, police say, they found a large sedan parked along the highway.

Aching legs and sore feet from much walking, rides having been few—Kentucky still a long way off—and the vision of much comfort before them in the way of the soft cushioned automobile proved too much, apparently, and so the pair decided to ride back home.

In meantime, State Highway Patrolman P. S. Van Allen was investigating an automobile wreck near Eagleton's glen, between Salem and Lisbon. He observed the approach of an expensive sedan and suddenly had the "hunch" that maybe all was not quite what it looked to be.

He stopped the car and asked the youths to show their registration card, which, of course, was impossible.

### Attempt To Escape

As the two cars stopped near the jail in Lisbon, Patrolman Van Allen stepped out. At this instant, the driver of the other car stepped on the accelerator and sped away.

The patrolman notified the sheriff's office and Deputies Paul Early and George Hays joined in the search. The group caught up with the youths about two miles out of Lisbon on the Leetonia road. Here the pair abandoned the car and took to their heels, but were easily apprehended.

### Liverpool Legion Plans Boys' Squad

A large number of Salem Legionnaires are planning to attend the institution of a squadron of Sons of the Legion Monday night by Post No. 4 at East Liverpool.

The ceremonies will take place in Potters' hall there, with William Honold of Warren, state commander, and J. J. Saslavsky, Columbus, state adjutant, as the principal speakers.

Local Legion members have been asked to assemble at the post rooms on East State st., at 6:45 p. m.

## Legion Takes Steps Against Salesmen

Rosa Helman, commander of Charles H. Carey post No. 56, American Legion, today announced that the post is planning steps to prosecute salesmen who, he said, are soliciting telephone orders from homes here under the name of the American Legion.

Neither the American Legion nor the Legion auxiliary is selling anything at the present time, Helman emphasized, and the post does not permit its name to be used with any other selling scheme.

## Austria Moves in Arms Crisis

Chancellor Schuschnigg

Austria's decision to follow Germany's example in increasing its armed forces has added another problem to the European arms crisis. Premier Kurt Schuschnigg, right, stated that steps had already been taken to achieve that end. Private armies, such as the Heimwehr, headed by Prince Ernest von Starhemberg, would be eliminated. The latter seeks to restore the Hapsburgs to the throne in the person of Archduke Otto von Hapsburg, left.

## PAROCHIAL BILL TO BE STRANDED

### State Senate Prepares To Close Up Shop At 3 P. M. Today

(By Associated Press)  
COLUMBUS, April 5.—The senate prepared to close up shop at 3 p. m. today, leaving in the air the bill to grant state aid to parochial schools and denominational colleges.

Although recommended for passage by the finance committee, the measure carrying a \$3,000,000 appropriation will not be placed upon the calendar until needs of the public schools have been adequately cared for, Senator Paul P. Yoder, Democratic floor leader, said.

### Threatens Referendum

Sen. Robert Pollock (R-Starb.) said that if the parochial-denominational school bill is enacted by the legislature, he will launch a move providing for a referendum on the question at the next general election. Approximately 131,000 signatures would be needed to place the question before the electorate. Senator Pollock said he could obtain 250,000 within a week.

The public school needs are provided for in the foundation school

## HARROFF STORE 16 YEARS OLD

South Broadway Grocery and Meat Market Observes Its Anniversary Week

The H. L. Harroff grocery store on South Broadway this week enters its seventeenth consecutive year of successful merchandising in the food field.

Established 16 years ago, the business has been conducted at the original location since that time, during which period the store has acquired a large number of friends throughout the district.

At various times the interior of the store has been remodeled, new equipment has been added and improvements made constantly to keep pace with demands. Only recently, a modern cooler was installed, giving the store the best possible in the way of refrigeration.

The store maintains a delivery service.

## Lottery Is Probed

MARION, April 4.—Because a lottery concern mailed a book of chances to a postal employee, it has lost some business in Marion. The employee turned over the book to officials. Lottery shipments to 112 local residents were stopped. Postal authorities are investigating.

### Prosecutor Starts Drive To Collect Old Court Costs

LISBON, April 5.—Collection of unpaid court costs, estimated to amount to between \$100,000 and \$200,000, has been started by Prosecuting Attorney George L. Laferty under the provisions of sections 2937 and 3028 of the General Code.

Either plaintiff or defendant will be notified of the non-payment of costs, according to court records, also attorneys who were identified with the issue. The first of the unpaid cost statements will be mailed next week, it was announced today.

### Three Are Injured In Auto Collision

Three persons were given emergency first aid at City hospital this morning as the result of two automobiles crashing head-on as they rounded a curve on the Salem-Lisbon rd. five miles south of here.

W. L. Ulmer of Cleveland, driver of the south bound machine, collided with one coming in the opposite direction driven by Angelo P. Pard of Haineswood. Joseph L. Sullivan of Wickliffe, O., riding with Ulmer, was the other injured person.

State Patrolman P. S. VanAllen investigated the accident.

### School Board Will Take Over Library

LEETONIA, April 5.—The board of education has decided to assume the management of the public library to be established in Leetonia in the near future.

The board has appointed the following seven directors: M. B. Lodge, Mrs. Nellie Conrad, William E. Diabro, Mrs. H. C. Brillhart, Mrs. M. E. Gausman, F. R. Aiken and Mrs. C. A. Weikart of Washingtonville.

### Jurists' Portraits Hang In Courtroom

LISBON, April 5.—When No. 2 common pleas court room is ready for occupancy, large pictures of former jurists who have served the county, will hang on the walls of both No. 1 and No. 2 court rooms.

Uniform birch frames, finished in walnut, now are being made by John Morrow, superintendent of carpenters on the courthouse project.

### Two Trial Cases

LISBON, April 5.—Only two cases have been assigned for trial in No. 1 common pleas court starting next Monday, these being Ralph Tarulli, a minor, against Edward Loomis and John Tarulli, against the same defendant. When these cases are finished, cases assigned for this week and not reached, will be called.

The spring naturalization court will be held in No. 1 court room next Friday.

### Dog Hangs Self, So License Not Needed

LISBON, April 5.—Last year Rubie Hodge of Negley purchased a license for a dog. Last week he was notified by the dog warden that he had failed to obtain a dog license for the current year.

And so Mr. Hodge wrote the tax division:

"I am writing you about my dog. My dog fell out of the barn and hung herself."

### Ends Deadlock

The compromise ended a week-long deadlock over a labor amendment backed by Senator Glass (D. Va.). It was agreed in conference that 25 per cent of the cost of state and community public works financed under the work relief bill should go for labor. Legislators said the agreement permits Mr. Roosevelt to decide whether wages paid in manufacturing materials for a project should be included in figuring the 25 per cent.

Glass and other senators previously had written into the bill a requirement that 33 per cent of the cost of state and community projects should be spent directly for labor.

## Cigaret Licenses Available On May 4

Cigaret licenses for the new fiscal year of '35-'36 will be obtainable at the Lisbon office of County Auditor John H. Irwin between May 4 and 27, it was announced today. A retail license under the current law costs \$25 and that for a wholesale dealer stands at \$100.

The retailer who wishes a first must file a written application for a license on blanks obtainable at the auditor's office. The number of the last license issue must be indicated on the new application and also the old address of the dealer.

The state tax commission has informed Auditor Irwin that during the current year approximately 27,000 retail and 307 wholesale dealers possess licenses.

## Blames Treaties

BEVERLY HILLS, Cal., April 5.—Well, today Austria says they want a gun. Yesterday it was Germany. England's got a gun. France has got a gun. Italy's got a gun. Germany wants a gun. Austria wants a gun. All God's children want guns, going to put on the guns and smear up all of God's heaven.

All these come from treaties which say: "I will have two guns, and you have one." It just don't make sense to say that one nation shall have more than another in anything.

Yours,

Will Rogers

A great many words have been spoken to deplore the fact the supreme court of the United States will not give an opinion on the constitutionality of the national industrial recovery act. It is another stirring tribute to the court, because obviously those who would like the court's judgment must trust it above their own.

Among those who don't want the court's judgment, of course, are chiefly persons who fear the court might disagree with them. That is the reason they don't want the constitutionality of the recovery act to be tested. Prominent members of this class are officials of the new deal. Some of them are responsible for the recent decision to stop further proceedings on the Belcher case in the supreme court. This case would have been a clear test of the constitutionality of the wage and hour provisions of the recovery act.

Sen. Borah, opposed to the act, remarked recently that dismissal of the Belcher case "leaves us without the opinion of the supreme court upon the constitutionality of the NIRA, but we have the next best thing—that is the opinion of the department of justice and its able staff of lawyers. They evidently arrived at the conclusion that the national recovery act was unconstitutional; otherwise they certainly would have urged the decision." The senator's keen observation, it's easy to imagine, is no comfort to certain prominent new dealers.

The more one thinks about the whole business of the Belcher case being dropped, apparently to keep the supreme court from giving an opinion on the recovery act while congress was getting ready to reenact it, the more it seems the country may have witnessed one of the really serious tactical errors of an administration supposedly skilled in the art of keeping its fingers out of doors.

## RESTLESS LEGISLATURE

State representatives and senators are itching to have done with legislating. They seem to be giving themselves over to that mood of restlessness which precedes legislative recess. They are becoming easier to convince there is nothing more they can do, that time will simplify the most difficult problems before them and that Ohio will drift along somehow without their presence in the state house.

Assemblymen may have been urged to come into such a state of mind by Gov. Davey's tax strategy. Pressed for leadership on the tax problem, the governor first submitted a painless program for getting revenue without taxes and then presented the legislature a list of 33 taxes it could enact if new taxes were considered necessary. It amounted to handing assemblymen their hats and remarking on the lateness of the hour.

The prospect is for adjournment until autumn. By then the sales tax will be approaching the end of its first year of operation, and legislators will be permitted to monkey with it. Cities and counties will be running close to the end of their tax strings, and it will be easier to talk about new taxes. In the meantime perhaps the Micawber philosophy of government in these times will be vindicated. Something may turn up. Business, for instance, might get so much better that taxes would bulk so prominently among the facts of life.

There is small chance for Gov. Davey's whole program, due to the general belief his bond moratorium proposal is unsound. His proposals for saving \$4,000,000 for old age pensions out of the general fund and for issuing county relief bonds backed by the 1 percent excise tax on public utilities probably will be accepted. The real job of the Davey administration, of course, is to devise a workable tax structure. Apparently, it cannot be started—or will not be started—until the end of the coming summer. In the meantime Gov. Davey should be working on the most important preparation for balanced financing, the weeding out of useless functions and officials of government.

NEW YORK—Thoughts while strolling: The age of magnificent contrasts: An ex-bank president hailing a street car. Dave Apollon's King of Hearts hair-cut. Wonder how John D. Jr. would look in a beret. Rich young communists with press agents should be something for the book.

Look alike: Bud Kelland and his son. What became of Zelma O'Neal? If it keeps up they'll be exchanging a Stock Exchange seat for a pass to Rosy's. All the big limousines have police whistles. For kidnap toots. What a swell autobiography George Ade could turn out, if he would.

Nobody can grin like Milton Berle. Or cloud up like Charles Winkler. Best of the Jester Lesters—Henry Hull. Why magazine editors stare out the window. All the up and coming writers are snapped up by Hollywood. Achmed Abdullah calls spats ankle awnings. Add hiccup names: Oliver Gogarty.

What the theatre needs is Joe Cook. That is, more giggles. H. L. Mencken over from Baltimore without his brief case. You'd think Cole Porter originated "top." It raged in the Gay 90's. What happened to Charles M. Schwab's optimism? And have those radio Happiness Boys quit happying?

Every time a tax-payer, the mag. gets his head

Mayor La Guardia, half Italian himself, banned the hurdy gurdy men without a sentimental wince. He regards their music as sheer clutter. Most grinders are Sicilians who rented their pianos by the day. But for many of us whose musical attainments are slight, the evanishment is a wrench. Next to the hansom cab the hurdy gurdy man was the most New Yorkish institution we know. There was something touching about his deep dejection. He rarely made a dollar a day and his contribution to slum cheer was no small item. All day he turned the crank and looked up in mute appeal. A penny pleased, a nickel would keep him a half hour and a quarter was a windfall that often bewildered him as to how to express his thanks. This paragraph was inspired, by the way, after seeing one weary Tony in faded corduroys chased from in front of a vile clip-joint by a blustering cop. Irony in overplus!

Alexander Woolcott has become the tittuppy oracle of the book business. There is magic in his mere mention of a new volume over the radio or in his gazetteering. Never a professional book critic, his endorsements touch off a firecracker sale from coast to coast. Publishers would rather have his praise than that of a half dozen top reviewers. Conspicuous among his three-sheeting triumphs was "Good Bye, Mr. Chips," a thin wistful volume that most critics dismissed with a scant line. Then "Maurice Gest" and "Lost Horizon," which had lain on shelves some time, were spuzzed into the best seller division.

The eruption of Madison Square types takes place in that wavering purple between twilight and deep dusk. Queer human specimens, like those squirming white things under old rocks, seep in from nowhere. There is the hatless fellow whose snowy hair falls on his shoulder like a lion's mane. His cheeks have the pinkness of youth and his eyes are robin bright. He writes things, sonnets one presumes, on a pad. The turbaned Hindu who kneels on a grass plot and salaams toward the East. The smiling blind couple chattering like magpies. The bootblack who can discuss Spinoza. And the ex-jockey, cracked up in a spill now groping in a mental fog and muttering of vanished glories. Authors like Madison Square for "atmosphere." Sinclair Lewis drops by often. So do Faith Baldwin and Kathleen Norris, when in town.

Will Rogers's feminine rival for the gum chewing championship is also a performer and a grand one. Lynn Fontaine, no less. Of course she never exercises her jaws in public. Always at home or in the dressing room. But when she puts herself to it, she wags a mean cheek. The late Lilyan Tashman was also a furious gum chewer in private. So is Yvonne Printemps. Incidentally, Lilyan Tashman was the greatest joy dressmaking establishments ever knew. She bought by dozens.

News item: "He topped two big T-bones and trimmings with a quarter section of pumpkin pie." That's boardin'!

## THE STARS SAY

For Saturday, April 6

According to the contradictory tone of the ruling planets on this day, it may be wise to be prepared for conflicting conditions and some adverse situations to be dealt with sagaciously. There is danger of hostility and strife, with unfavorable litigation in the offing, unless a firm check is exercised on proclivities toward rash, quarrelsome and too aggressive conduct. All forms of excesses, waste and gambling should be avoided.

If It Is Your Birthday

Those whose birthday it is stand at the threshold of a possibly active and profitable year, with fresh opportunities for fortunate change and new contracts, providing they shun impetuous and quarrelsome conduct as well as extravagance gambles and litigation.

A child born on this day may be active, energetic and have large aims and ambitions, but its impulsive and too ardent nature may provoke high enmity and opposition.

Notable nativity: Houdini, magician.

are, left to right, Senator George W. Norris, of Nebraska, and Representatives Ernest Lundeen and Harold Knutson, both of Minnesota. Senator Norris made an epic speech in 1917 against entry.

## HEALTH

By Dr. Royal S. Copeland  
New York City

Many Think Measles a Harmless Disease

It is surprising to learn what an increase there has been in the number of cases of measles throughout the country. I fear this is due to the careless attitude which a good many take regarding this infection.

Many mothers make the mistake of thinking measles is a harmless disease. When it afflicts infants and children under five years of age it is dangerous. It leaves these children in a weakened condition and they become extremely susceptible to other infections. Serious complications, such as pneumonia, broncho-pneumonia and influenza often follow.

Next to the common cold, it is the most contagious of all infections, quickly spreading from one person to another. Precautions should always be taken to guard against measles. Never deliberately expose a child to this disease. It must not be forgotten that while it may be mild in one child, it is likely to prove serious in another.

Familiar With Symptoms

It is a good plan to be familiar with the symptoms of this disease. In its early stages, it is often confused with the common cold or gripe. The sufferer complains of weakness and general aching. As a rule there is a hoarse, croupy cough. The eyes are watery. They become inflamed and extremely sensitive to light. This is really the most characteristic sign of measles before the rash appears.

The rash is likely to manifest itself about the fourth or fifth day. Small red spots appear on the skin. This symptom is first seen along the sides of the face, behind the ears and on the neck. Within twenty-four hours the chest, arms, legs and very soon the rest of the body becomes involved.

With the appearance of the rash

there is fever. It is at this stage that the disease is highly contagious.

The child should be kept in bed and all visitors barred. Protect the eyes from sunlight and glaring lights. He will be made more comfortable bathing the eyes occasionally with lukewarm boric acid solution.

Proper Nursing Needed

Good nursing is essential, particularly when the disease afflicts infants and young children. The diet should be soft and nutritious. Regular elimination is important, but no laxatives should be given. If necessary an enema may be used.

In severe cases of measles "convalescent serum" is advised. Some physicians recommend this for all cases of measles. It appears to hasten the cure and decrease the danger of complications.

This is a serum obtained from the blood of persons who have recovered from measles. It is especially valuable when taken from an individual who has recently had the disease.

It is used for the prevention as well as the cure of measles. As a protective agent it is of great value during severe epidemics. Though it appears to confer protection for a limited period, from two to six weeks, it certainly lessens the dangers of this disease.

## Two Couples Are Married In Rites at New Cumberland

A double wedding ceremony was solemnized at 3:30 p. m. Wednesday in the parsonage of the New Cumberland, W. Va. Methodist church by Rev. Charles Smith. Miss Mildred Beatrice Wilson, daughter of Mr. and Mrs. Carl Wilson, Evergreen ave., Youngstown, became the bride of Charles Ronald Slack, son of Mr. and Mrs. John Slack of the Ellsworth rd., Salem. Miss Louella Laney, daughter of Mrs. Robert Laney, Wakefield ave., Youngstown, and Everett J. Birkholtz, son of Mrs. Fred Birkholtz, Oxford ave., Youngstown, were united in marriage at the same ceremony.

Mrs. Birkholtz wore a traveling suit of light blue wool with dark blue accessories. Mrs. Slack wore a suit of blue with grey accessories. The brides are employed at Rich's Beauty Salon as beauty operators. Mr. Slack is employed by the Mullins Manufacturing Corp. Mr. Birkholtz is affiliated with the Youngstown Buick Co. in that city.

### Honor Birthdays As Club Convenes

The birthday anniversaries of Mrs. Henry Maeder and Mrs. H. R. Elton were celebrated yesterday when the Jennings Avenue club members were entertained at Mrs. Elton's home on Jennings ave.

Mrs. Elton served a delightful noon luncheon to the members and guests, table appointments attractively carried out in yellow and white. Daffodils and forsythia made a lovely centerpiece for the table, with candelabra at either end. Places were arranged for twelve members and guests. A large white birthday cake was a feature of the luncheon.

### 32nd Anniversary Fete Planned

Sons of Veterans auxiliary, meeting last night at the hall, made plans to celebrate the 32nd anniversary of the organization April 23. There will be a causerole supper and inspection at that time, conducted by George Votaw, inspecting officer.

The auxiliary will entertain the Daughters of Veterans May 9, plans for which were discussed last evening.

### Mrs. Glenn Sweitzer Club Hostess

Mrs. Glenn Sweitzer delightfully entertained associates of her bridge club last evening at her home on West Pershing st., two tables being in play during the evening.

Prizes were won by Miss Ursula O'Neil and Mrs. Hazel Montgomery. The hostess served a lovely lunch with Easter appointments.

### Mrs. Norman Boarts Dorcas Hostess

Mrs. Norman Boarts entertained members of the Dorcas society of the English Lutheran church Thursday afternoon at her home on East Third st., 14 members and four guests attending.

Two new members were received at the meeting. Following the business session the hostess served refreshments.

### Marriage Licenses

Ben Billock, Youngstown, and Katherine Broderick, East Palestine, were granted a marriage license in Lisbon April 4.

### Light Bearers Meet

Lightbearers society of the Presbyterian church will meet in the parish house at 2:30 p. m. Saturday.

Mrs. N. H. Ingledue, daughter and son-in-law and two granddaughters visited in Letonia yesterday with her three daughters, Mrs. Leland Rousler and Mrs. Charles Ingledue and Mrs. Paul Phillips.

Mrs. V. H. Jack and two daughters have returned to their home on R. D. 2, after spending two weeks with Mrs. Jack's parents, R. D. 3.

Mr. and Mrs. Marion Conkle of Canton visited recently with his mother, Mrs. Eva Conkle of West State st. Mr. Conkle is a teacher in the Central High school of Canton.

Newton D. Ingledue has entered the Dayton hospital for medical treatment after an illness of four months.

V. H. Jack, R. D. 2, who recently underwent an operation in the hospital, has returned to his home.

Mrs. Emma Zimmerman, R. D. 3, has returned to her home after a four-months' stay in Florida.

Oliver Ingledue is ill at his home on R. D. 3.

## PAROCHIAL BILL TO BE STRANDED

State Senate Prepares To

(Continued from Page 1)

program bill approved by the house. This measure calls for an estimated expenditure of \$48,000,000.

As both branches held their first Friday sessions of the year, the house seemed to be intent upon continuing at work with a view to adjournment about May 1.

Rushing to clear its decks for a "vacation," the senate remained in session until 12:25 a. m. today and adopted, 20 to 6, the Waldvogel bill providing for drastic changes in the liquor control act.

The house in the afternoon had approved and sent to the governor one of the more important bills. It authorizes counties to incorporate, establish health departments, civil service systems and to acquire and operate county parks.

**May Act on Boyd Bill**

The house taxation committee was expected today to report out the Boyd bill to exempt from the sales tax all food sold for consumption off the premises. The committee voted, 11 to 5, to recommend it for passage last night, but the affirmative vote was too short of the required number. Chairman P. E. Ward, who did not vote, said he believed the extra two votes would be forthcoming.

The senate tabled a bill to exempt all construction materials from the tax.

The senate finance committee approved, 7 to 6, the Davis bill providing state aid for parochial schools and denominational colleges after Senator Seidner (D-Mahoning) switched from the opponents' side to the proponents' side.

The senate finance committee approved Governor Davey's request for an additional appropriation to maintain his office during the first six months of the year. However, the amount was reduced from \$16,220 to \$15,920 by trimming \$300 from a \$1,000 item for an office rug.

## Lisbon U. P. Church Officers Are Named

LISBON, April 5.—The United Presbyterian church elected John A. Cole, Edward Windram and Charles Felton elders at a meeting here last night. Mr. Felton also was elected Sunday school superintendent.

Trustees George A. Heller and William J. Frew were re-elected. W. J. Binsley was named delegate to the quarterly meeting of the Cleveland Presbytery which will be held next Tuesday at the First U. P. church in Cleveland. Rev. J. M. Cameron, pastor, also will attend.

## Greek Leader Dies In Auto Accident

CANTON, April 5.—Funeral services will be held here Saturday for Andrew Nickas, widely known Canton attorney and former international secretary of Ahepa, Greek-American organization, who was killed at Mount Vernon last night when his automobile was crowded off the highway.

M. Nickas was admitted to the bar twelve years ago. A leader in Greek activities in Canton, he was president of the Canton Order of Ahepa. His widow and two children survive.

## Cemetery Groups Need Tax License

LISBON, April 5.—Cemetery associations that sell vaults or other equipment under the current tax law are compelled to have issued to them a vendor's license, undertakers in the county have been informed. On all such vaults or other equipment sold by these groups, a sales tax must be collected.

Only two cemetery associations in the county have applied for such licenses, these being located at Salem and one at East Liverpool, a report shows.

## Counties to Handle Relief Complaints

COLUMBUS, April 5.—C. C. Stillman, federal relief administrator for Ohio, today placed the authority to settle relief complaints into the hands of county complaint committees.

The move, Stillman announced, "will eliminate considerable work at state relief headquarters."

## Adding Variety To The Menu Pleases The Entire Family

Every woman gets mighty tired of the eternal question, "What shall I serve for dinner today?" There are plenty of answers to variety in salads and desserts, but the meat course is oftenest the problem.

A wholly satisfactory solution to this troublesome question is offered by Ralph Wade of The Canton Provision company. He says that the wide variety of Pioneer luncheon and dinner meats enables the housewife to prepare a great number of distinctively different meals and without spending long hours in the kitchen.

These Pioneer meats are ready to serve, hot or cold. The work of preparation is done in the perfectly appointed Pioneer kitchen where every detail is scientifically controlled. Long experience, covering a third of a century has taught these experts just how to make each loaf or roll so as to bring out the finest flavor.

Prepared meats are economical, too, for there is no waste, no shrinkage, no bone. Delicious, allowing unlimited variety, easy to prepare and economical — what more could you ask for?

## Heroic Ohio Sailor Dies from Injuries

LOUDEVILLE, April 4.—Robert  
Withrow, 20, seaman aboard the  
U. S. S. Saratoga, aircraft carrier  
in Pacific waters died yesterday in  
San Diego, his mother, Mrs. Peter  
Ber, of Louisville, was informed  
by the navy department.  
Withrow died of injuries received  
seven weeks ago when he threw  
himself into the path of a shell  
carrier for an eight-inch gun which  
had broken loose. He prevented a  
possible serious explosion.

## Lose Liquor Permits

COLUMBUS, April 4.—State  
Liquor Director Clarence H. Burk  
yesterday revoked two liquor per-  
mits and one beer permit and  
canceled a carrier's license. The  
beer permit was that of Jennie E.  
Baker of Cambridge. Roy J. Powell  
of East Liverpool lost his carrier  
permit.

## SENATE PASSES LIQUOR MEASURE

Overwhelmingly Votes  
Drastic Changes In  
Control Law  
(Continued from Page 1)

the poor man he was entitled to a  
lower liquor tax" and then sud-  
denly changed his mind.  
Until yesterday, Senator Edward  
N. Waldvogel, (D-Hamilton), au-  
thor of the bill, said it was his un-  
derstanding the governor favored  
discarding the gallonage levy and  
substituting a tax of 17 per cent  
on the price of the liquor.

Handley also attacked the govern-  
or for attempting to "carry the  
senate in his vest pocket" as he  
argued against an administration  
proposal to make the chairman of  
the state liquor board an appointee  
of the governor at a salary of \$6,000  
a year. Other board members are  
paid \$4,500. The governor won the  
privilege of appointing the chair-  
man but the senate balked on more  
pay. At present the chairman is  
named by the board membership.

**Clock Stopped**  
As midnight approached senate  
attaches stopped the clock to pre-  
clude a technicality should the act  
be contested in court if finally en-  
acted.

The spectators row was almost  
deserted except for liquor, wine  
and beer lobbyists. The wine lobby  
was particularly active, and it was  
only at last minute that they had  
the senate adopt amendments to  
encourage the Ohio wine industry  
and place a license fee of \$500 on  
out-of-state wine dealers.

"Shyster" lawyers, as they were  
termed by Senator Handley, were  
dealt a severe blow by an amend-  
ment by Senator James Metzger-  
baum (D-Cuyahoga), an attorney,  
barring persons who accept a fee  
from representing a client seeking  
to obtain a permit from the liquor  
board. The act carries a fine of  
\$1,000 to \$2,500 and a jail sentence

of six months to one year for this  
practice.

Twenty five per cent of license  
fees would go to the liquor depart-  
ment enforcement division. The  
rest of the fees would be returned  
to the political subdivisions in  
which they were collected.  
A provision which would have  
permitted the liquor director to  
withhold any city's fees if he felt  
the city was not doing its part in  
enforcing the law was stricken out  
on motion of Senator Keith Law-  
rence (D-Cuyahoga).

## DEATHS

**MRS. JOSEPHINE BRIGGS**  
WASHINGTONVILLE, April 5.—  
Mrs. Josephine Briggs, 33, wife of  
Lloyd Briggs, died at her home  
in Washingtonville at 10:30 a. m.  
Thursday from complications.  
Mrs. Briggs was born in Lec-  
tonia, but had been a resident of  
Washingtonville for eight years.  
She was a faithful member of  
Trinity Lutheran Sunday school  
and church. She is survived by her  
husband and week-old son, and  
four sisters. Funeral service will  
be held at the home at 2 p. m. Sat-  
urday with Rev. G. D. Keister in  
charge. Burial will be in Oakdale  
cemetery.

## Austria Prepares Its New Air Force

VIENNA, April 5.—Unverified  
reports circulated through military  
quarters today that Austria's new  
air force will soon make its first  
public appearance in conjunction  
with the government's somewhat  
hampered rearmament program.  
The appearance of the air force  
was not regarded as likely before  
the powers' informal approval of  
Austria's rearmament has been rat-  
ified by the formal acquiescence of  
the St. Germain treaty signatories.  
This step, in turn, was considered  
subject to the nation overcoming  
at least three internal snags—the  
ambitions of the Hapsburgs, the  
Facist Heimwehr, and a scanty  
supply of money.

ment's inquiry into the escape, and  
said evidence to support a charge,  
widely made after Dillinger fled,  
that he had "inside" aid, could be  
obtained only by a confession. None  
has been obtained.

**Believes Pistol Smuggled In**  
His own belief, Fleming went on,  
is that Evelyn Frechette, girl friend  
of the gangster, now serving a sen-  
tence in a federal reformatory for  
harboring him smuggled a pistol in-  
to the jail.

The federal agent's report tend-  
ed to repudiate a claim by the de-  
sperado's relatives at Indianapolis,  
made several weeks after the  
Crown Point escape, that they had  
received the original "wooden gun"  
and that it was being held in a  
vault there. They were unavailable  
for comment early today.

## HUDSON MOTOR BRINGS OUT SIX

Hudson Six Introduced Here by W. H. Kniseley and Son

A new automobile was being unveiled in the Salem territory today as Hudson Motor Car Co. formally presented a six-cylinder car—the Hudson Six.

Heralded as a low-cost auto offering the most sensational performance ever built into a six-cylinder car by Hudson, this new six is being introduced in an unusual manner by Hudson dealers. Rather than merely show the new car in showrooms, most of the models are being parked on the street and the motoring public is being urged to inspect this car by actually driving it.

Three Big Features  
As three of the big things being featured in this Hudson Six—performance, riding qualities and safety operation—can only be judged by driving the car, we decided to introduce this automobile by giving as many motorists as possible the opportunity to drive it," said W. H. Kniseley, local Hudson and Terraplane dealer. For two weeks, Hudson dealers in this section will hold "open house" for motorists who care to try out the new six cylinder car. Showrooms will be held open evenings.

It's a big car—16 feet 2 inches from bumper to bumper; an exceptionally powerful automobile—93 or 100 horsepower. Economy of operation also is a big feature, tests showing that as much as 20 miles can be obtained from a gallon of gasoline.

All of Steel  
It's made all of steel—roof, floor, sills and all supporting members being of steel—and it is equipped with the new and sensational Hudson rotary equalized brakes.

The bodies of the new Six are longer and lower, with sweeping air stream lines that give the car a flowing effect. Although the Six models come equipped with the standard gear shift lever, the "Electric Hand" may be obtained on all models.

The Hudson Six, it was announced, will come in five body models—sedan, coach, business coupe, coupe with rumble seat and convertible coupe. It augments the line of eight-cylinder cars made by the company and the six-cylinder Hudson-built Terraplane.

## "Times Square Lady" With All Star Cast Is State's Feature

Grand's Feature  
BOOT GIBSON, the youngest favorite star of western thrillers is the star of "Sunset Range," exciting and thrilling story scheduled at the Grand for Saturday and Sunday.

The film at the State this evening and Saturday, "Times Square Lady" is important for several reasons, the most important of which is the movie debut of one Pinky Tomlin. Tomlin, blond and bespectacled, is the Oklahoma farm boy who wrote "The Object Of My Affection" and rose to fame literally overnight.

Pinky Tomlin Scores  
Everyone knows how popular his song has been but when he sings it, as he does in "Times Square Lady," it takes on a new ring. He has never had before. When his song became such a hit, the boy left his farm and arrived in Hollywood with his accent and few belongings. He showed a decided talent for acting, especially along comedy lines and how he could sing! So, he was cast in his first picture—he's as great a hit as his

song. Hollywood has made heroes out of several who murder the King's English and it seems they are sponsoring the debut of another for Tomlin speaks too easy to be true—and they do, for Tomlin is no one's fool and she beats them at every angle. She even makes one of them fall in love with her.

Excellent Cast  
Not only Tomlin appears in this picture but another newcomer who seems to have captured the hearts of his fans—Robert Taylor. Taylor appeared with Chester Morris in "Society Doctor" and made such a success he is starred in this picture. With him are Virginia Bruce, Helen Twelvetrees, Isabel Jewell, Neil Pendleton, Henry Kolker, Jack LaRue, Russell Hopton, Fred Kohler, Raymond Hatton and Robert Elliott—a splendid cast.

The story is novel and well paced. It tells of the royal fooling a bunch of New York "wise guys" get at the hands of a country girl whom they thought would be ever so easy to swindle. When her father dies and leaves everything to her, Tomlin decides to go to New York. In the meantime the managers of the dead man's various New York promotional holdings meet to discuss

means by which they may gain control of his properties. When they learn it had all been left to a girl who had never seen New York they think things look too easy to be true—and they do, for Tomlin is no one's fool and she beats them at every angle. She even makes one of them fall in love with her.

Special scenery and lighting will greatly enhance this year's production.

Paul Smith will be seen in the role of Peter; Doris King is cast as Adina, his wife; Deborah, his mother, is played by Freda Hestley; Ucal, uncle of Adina, is portrayed by Charles Stewart; Mary of Magdala is done by Lorraine Patterson.

Admission is free. An offering will be taken to defray the expense of the production.

## Dry Forces Without Their Best Weapon

COLUMBUS, April 4.—Because of the attractiveness of modern drug dispensaries, dry forces have been disarmed of one of their most powerful weapons. S. P. McNamara, superintendent of the Ohio Anti-Saloon league, told the state C. T. U. yesterday.

In their original fight against alcohol dries attacked the "bottle" of the saloon, he said. But their only weapon is education, he added.

## "TOOK ALL KINDS OF PILLS, THEN CEREAL BROUGHT RELIEF"

Constipation, Due to Insufficient "Bulk," Relieved by Kellogg's ALL-BRAN

A fine letter from Mrs. Snyder: "I have had trouble" with my bowels for years, taking all kinds of pills and drugs, with no relief.

"One year ago, I saw Kellogg's ALL-BRAN and bought a package. I have good movements every day. I am 73 years old. I am telling my friends what bran has done for me."—Mrs. Sallie Snyder, 918 N. Craft Ave., Hollywood, Cal.

\*Constipation due to insufficient "bulk" in meals.

Research shows that Kellogg's ALL-BRAN furnishes "bulk" to exercise the intestines. ALL-BRAN also supplies vitamin B, as well as iron, an element of the blood.

Two tablespoonsful daily are usually sufficient to correct common constipation. With each meal, in serious cases. If not relieved this way, see your doctor.

The "bulk" in ALL-BRAN results in digestion better than the "bulk" in leafy vegetables. How much better to use this food in place of patent medicines.

At all grocers in the red-and-green package. Made by Kellogg in Battle Creek.

Keep on the Sunny Side of Life

## Exciting Battles Mark Opening Of Girls Basketball Tournament Here

### Pennzips Beaten By East Liverpool; One Overtime Game Held

**Laughlin Artists, Mount Oils of Warren, Akron Riggs Le-Mar and Cleveland Bleep-Combs Winners In Opening Tilts**

By RAY L. DEAN, News Sports Editor  
Girls basketball teams from Cleveland, Akron, Barberton, Steubenville, East Liverpool, Warren, Youngstown and Salem came here last night to battle in the annual basketball festival in the Memorial hall gym. Their exhibitions of the game were as attractive as they were themselves.

Tonight several new teams will make their appearance while those who suffered defeat last night have gone home via the elimination route. The strong Fisher Foods of Cleveland will make their appearance for the opening game with the McLaughlin Artists of East Liverpool.

Another newcomer tonight will be the General Electric of Erie, Pa., who tangled with the Mount Oils of Warren in the second game of this evening's program.

Winners of last night's tilts were the East Liverpool Artists who defeated the local entry, the Salem Pennzips, 17 to 12; the Mount Oils of Warren who looked none too superior in shading the Flaberty Shamrocks of Steubenville, 30-27 in a hard-fought game; the Akron Riggs Le-Mar who edged out the Youngstown McKelvey's 23 to 21 in an overtime, and the Cleveland Bleep-Combs who were too strong for the Ostrov Shoes of Barberton and won, 24 to 17.

Anne Zelle, Kent State college co-ed home for spring vacations, carried the blunty of the Salem Pennzip attack getting seven points in the tussle with the East Liverpool Girls. Although the Pennzips took a 6 to 1 lead at the start, the Potters soon found themselves and snatched a good lead and held off further advances of the Salemites.

Hanscom was the offensive star for Liverpool, getting 11 points. The winners took a 12 to 8 lead at the half and at the end of the third were ahead, 16 to 9. Only one point was scored by them in the final bracket while the Pennzips got three.

**Mount Oils Win**  
The Steubenville Shamrocks, led by Dean who was sent to the showers midway in the game, gave the Mount Oils of Warren a battle all the way, grabbing the lead now and then but eventually falling behind by a point or two. At the start the Irish snatched a 12-10 lead.

Randall, slim forward for the Oils, together with Williams, center, looked best for the winners as they tossed 9 and eight points respectively. Warren led 29 to 17 at intermission and 26-21 at the start of the final quarter.

**Exciting Tussle**  
The final two games of the evening undoubtedly were the most exciting. The Akron Riggs Le-Mar were deadlocked 21-21 at the end of the game and in an overtime the Rubber City squad took the game on the first two points scored in the extra period—tournament ruling. Kaiser, clever guard, too; the game for the LeMars when she tossed a one-hand shot shortly after the tip-off.

The score was tied, 6-6, at the end of the initial period. Youngstown, led by Tillotson, guard, was one point up on the Akronites at the half, 13-14, and also at the start of the final quarter.

After flashing to a 7 to 2 lead at the start, the Ostrov Shoes of Barberton fell short when the favored Bleep-Combs took a 14-13 lead at intermission. In the second half the Clevelanders dampened the Shoes offensive and did a little scoring themselves, leading 19 to 13 at the end of the third period. The winners were led by their two forwards, Benda and Kelley. Becht and Archer, the latter a tall center who usually gets the tip-off, were best for the Shoes.

**Reds Defeated, 2 to 1 By Schoolboy Rowe**  
SAVANNAH, Ga., April 5.—Nosed out 2 to 1 by Schoolboy Rowe, but taking the Tigers to ten innings. Cincinnati Reds were to meet the American league champions here again today, in the second of their series of 11 games.

Tommy Bridges was scheduled to take the mound for the Tigers; Al Johnson for Charlie Dresen's team. The Reds spent last night in Jacksonville, moving from St. Augustine, after the game, by bus. The motor city nine came here direct by train.

**171 ENTERED IN ST. LOUIS RELAYS**  
Jesse Owens, Other Sprinters Seeded For Special Race  
(By Associated Press)  
ST. LOUIS, April 5.—A host of track and field stars that threatened to tie up foot traffic jugged, jumped and sprinted today around the coliseum track loosening their legs for tonight's St. Louis relays.

Officials of the relays, being held in conjunction with the Ozark A. A. U. district meet, were faced with an entry list of 171 athletes in the 24 events, and decided to reduce fields in the more crowded ones by running off preliminaries this afternoon.

These fields were to be reduced to the four fastest men, who will compete in the night races. An exception was made, however, in the case of the best sprinters, Jesse Owens of Ohio State, Jimmy Owen of Iowa, Ed Hall of Kansas and Bob McClure and Ed Waite of Washington university have been seeded for a special 60-yard race that is expected to be a high spot of the meet.

Chief crowd interest is likely to center in the appearance of the great Glenn Cunningham, one of the foremost distance runners in America's track history who is near the top of his form.

**Wrestling Results**  
At Hartford, Conn.—Gus Sonnenberg, 265, Boston, defeated Billy Hartach, 225, Chicago, two out of three falls.  
At Ottawa — Al Mercier, 218, Vancouver, defeated Ernie Zeller, 211, Indianapolis, two out of three falls.

### Filly and Gelding Mare May Figure Prominently In Kentucky Derby Race

BY ORLO ROBERTSON, Associated Press Sports Editor  
NEW YORK, April 5.—Only one filly ever won the Kentucky Derby and the victories of geldings have been few, but this year one of each figures prominently with a speedy pair of colts in the pre-race calculations.

The filly is Nellie Flag, from Warren Wright's Calumet farm; the gelding, Mrs. Walter M. Jefferson's Commonwealth, and the two colts, Plat Eye and Sailor Beware, from Mrs. Payne Whitney's Green-tree stable.

Each boasts a good 2-year-old record, according to reports from winter training quarters, is rapidly rounding into condition for the first of the series of rich stakes designed to decide the 3-year-old championship.

**Nellie Flag Classy**  
Nellie Flag left no doubt as to her class in winning the matron stakes at Belmont Park, the Selma at Laurel and the Kentucky Jockey club stakes at Latonia—the latter two at one mile. She earned \$35,790 during the year, and was second only to Chance Sun, the future book favorite, in that respect.

Commonwealth did not reach his best form until most of the other top-notch 2-year-olds had gone into retirement. He showed fine stamina in taking the mile and 70

### JAPAN CAPTURES SWIMMING EVENT

**United States Natators Way Behind In Olympic Splash**

By BOB CAVAGNARO, Associated Press Sports Writer

NEW YORK, April 5.—Japan won the first three places in the back stroke swimming event of the 1932 Olympic games. The United States natators were so far back they did not even figure in the score.

Today Uncle Sam can boast of three youngsters who can safely be expected to challenge seriously the Nipponese supremacy in 1936 when the nations gather in Germany to contest world's sport titles. Youngster Rated No. 1

There are, in order of their present rating, based on performances

in the current 47th Senior National A. A. U. indoor championships 16-year-old Adolph Kiefer of Chicago; 200-year-old Danny Zehr of Fort Wayne, Ind., and 18-year-old Albert Vande Weghe of Paterson, N. J.

Three years ago Zehr was the infant prodigy of the American Olympic tank team, two years ago Vande Weghe broke into the limelight and last year he went to Japan and conquered all of the Rising Sun's dorsal stroke artists, and now comes young Kiefer with promise of developing into America's outstanding all-time back stroke speedster.

Kiefer gave a superb exhibition in winning the 150 yard backstroke title in the record-breaking time of 1:36.1. Kiefer was pushed to a new record by Zehr, who in finishing second also was credited with breaking the old mark. Zehr was caught in 1:36.3. Vande Weghe, the defending champion and former owner of the world's record at 1:36.9, tired rapidly after setting the pace for the first half.

## Annual Inter-Class Meet Of High School Captured By Juniors

Salem High school concluded its inter-class meet yesterday afternoon at Reilly stadium and the juniors were again the winners, scoring a total of 66 and one half points. The seniors were second in the meet with 52 and one half points.

The sophomore were third and the freshmen last in the total events. Al Rich, a senior, took individual scoring honors with 22 and one quarter points. Eakin, a junior, had 15 for second place in individual honors while Catlos with 10 and one half was third. Roelen, a sophomore star, was fourth with 10 and McConner, a senior, next with 9 and one half.

This led McConner, out for track for his first time although a senior, may be a "find." With no pre-practice he got tie for first place in the 100 yard dash and then won the 220. Besides that he was second in the 800 yard relay.

The half mile relay team, comprising Tibbs, John Rich, Anderson and Thompson, came within 4 and one half seconds of the county record. Track Coach Fred Cope reports.

A. and J. Rich fought it out in brotherly fashion for the broad jump. A. Rich jumping 20 feet, one inch and J. Rich only one inch behind. Brantingham, a senior, placed second while Kamaskey and Bartholow, juniors, were third and fourth. Roelen who is a sophomore also turned in a good mile and a half run. He's a cross country star, too.

Roelen finished the mile run in 4 minutes and 58 seconds to win. Brantingham, a senior, placed second while Kamaskey and Bartholow, juniors, were third and fourth. Roelen who is a sophomore also turned in a good mile and a half run. He's a cross country star, too.

High jump honors were captured by Bruce, a junior who cleared five foot, six inches. A. Rich, J. Feiler, seniors, and Turner and Harroff, juniors, tied for second, third and fourth places.

Catlos, a junior, took the 440-yard run in 57.1 seconds, trailed by Heron, a senior, and Wagoner, a junior, third. Eakin was next.

**Javelins Snap**  
In attempts at the javelin throw, two of the spears were broken—therefore no results.

J. Rich, Tibbs, Anderson and Thompson, running the 880 in 1:43 seconds, were the winners. The senior squad took second place, the juniors third and the sophomore second team last place.

With spring vacation starting next week, Fred Cope will hold practice for his tracksters every morning from 10 a. m. to 12 noon. Weight men for the javelin throw, shot put and discus throw are needed. Coach Cope said today.

Cope will take 10 or 15 men to the Mandfield relays on April 20th. Dick Eakin is reported going good in the pole vault and when Layden, cut with a sprained ankle, returns, Salem High will be prepared in that sector.

Judge of the jumps yesterday afternoon was Bill Pauline, who holds the school's broad jump record. Bob Carey, Mount Union student, was clerk while Herb Brown and Mr. Paxson acted as timers. The finish judges were Coach Lew Smith, Clarence Walker and Emerson.

## Rival of Boys for Place on Team

Coach of Webster, Mass., high school nine has promised Nellie Twardzik a place on regular team if she continues to perform as well as she has in early practice sessions. She's a regular Babe Didrickson at first base.

petition, he finished the opening round far back in the field with a 74, two over par. So did his playing partner, Horton Smith, 1934 winner.

Rule as favorites were Sarazen, whose odds dropped to a mere 3 to one, in view of his spectacular 68; Olin Dutra, national open king, who fired a 70 along with Paul Runyan, national P. G. A. champion; Johnny Revolta, the young Milwaukee pro, and Jimmy Hines of New York.

Craig Wood, runner-up to Smith here last spring, blazed his way to a neat 69 to remain a contender. Hines, another "dark horse," was among the topflighters with a 70.

The highlight of opening play was Goggin's ace, the second in as many years in the Augusta national. Rosa Somerville, Canadian amateur champion, cupped a tee shot last year. Goggin's shot was made with a spade, the ball bounding twice and dropping into the cup on the 134-yard hole.

## Alliance Ball Club Holds Opening Drill

ALLIANCE, April 5.—Clyde Hamilton and J. D. McDonald, business managers of the newly formed Alliance Merchants baseball club, will attend the final pre-season meeting at Canton Sunday. At that time the season schedule for teams in the Northern Ohio league will be completed and final plans for the season's activities discussed.

Candidates for the Merchants will hold their first workout on Goat Hill field today if the weather is suitable.

## Training Camp Glimpses

With The Teams In Their Southern Quarters

(By Associated Press)

BIRMINGHAM, Ala.—Pitcher Johnny Broaca, the best-talented Yale graduate in the New York Yankee camp, has been a revelation to Manager Joe McCarthy, as well as to the rest of the club. In 25 innings, Broaca has given the opposition only four runs.

CHICAGO, April 5.—Chicago's Cubs will go on display here for the first time this season tomorrow against the Washington Senators.

The squad was due in Chicago this morning. Two games will be played with the Senators, weather permitting, after which the club goes to Chattanooga, Tenn., to meet the New York Yankees Monday. Either Lonnie Warneke or Larry French will do the pitching tomorrow.

FORT WORTH, Texas.—The Pirates rolled into Fort Worth today for their weekend stop-over with the White Sox and Guy Bush, come over from the Chicago Cubs, got the call for mound duty. Bush, who has been doing effective work throughout the training period, was billed for all nine innings.

LOUISVILLE, Ky., April 5.—Happy at the return to something approaching normal hitting power, the Washington Senators faced Louisville today in the second of their two-game training series.

The Nationals, victorious yesterday 10 to 9 in a free hitting contest, move on to Chicago tomorrow to meet the Cubs.

Giants again Tuesday to resume their exhibition tour.

## USE APPLE DESSERTS!—ADVICE TO HOUSEWIFE

THANKS to careful cultivation and splendid transportation facilities, apples seem to be in the market during most months of the year. Apples are healthful and the wise housewife will turn apples into desserts that are as nutritious as they are delicious.

Baked apples are always delightful, but sometimes we get weary of even this dish, especially when prepared in the same old way. If it is legal for you to use wine in your section, and if you have no scruples in using wine as a cooking adjunct, then we feel sure that you will be interested in a new method of preparing baked apples.

### Clove in Each Apple

Stick a clove in each apple, and stand in an earthenware pan together with a wineglass of red wine, a tablespoon of brown sugar and a little finely shredded lemon peel. When cooked, serve piping hot, with a blob of thick cream on top.

Paradise pudding is a most delicious sweet, something different from the ordinary run of desserts. Peel and core a pound and a half of apples. Slice and sweeten with three ounces of sugar. Place in the bottom of a buttered pie dish. Cream together two and one-half ounces each of butter and sugar. Add a beaten egg and mix well. Sift in five ounces of flour and a teaspoon of baking powder. Add two tablespoons milk and mix well. Spread this mixture on top of the fruit. Bake in a moderate oven for about thirty minutes until well risen and a pale brown. Dredge with sugar and serve either hot or cold.

### Boiled Apple Dumplings

Then there's a dish of apple dumplings, either baked or boiled, that should be welcome at that table of culinary conversation. To make delicious boiled apple dumplings, peel and core the apples and cut a clove in each, filling the centers with sugar.

Roll the apples in suet pastry and then tie the dumplings in floured cloths, allowing room for them to rise. Put in boiling water and cook for about an hour. For baked apple dumplings, core the apples first and fill centers with brown sugar. Then roll them in pastry and set in a baking tin in the oven. Powder with brown sugar and strew a little more around the tin. When cooked they will be coated with a kind of caramel sauce that will make this dish a delight.

### Apple Cake Popular

An apple cake that is popular in the southern part of England is known as the Devon apple cake. For this you will need six ounces flour, three ounces powdered sugar, three ounces butter, four fair-sized apples and milk to mix. Rub butter into flour, add sugar. Peel and slice the apples, adding to mixture and chopping until apples are the size of small grapes. Mix fairly dry with milk, turn into well-greased shallow tin. Wet the top with water and sprinkle well with sugar. Bake in moderate oven till nicely brown and serve piping hot.

Bargains are plentiful. The ads. will tell you where.

## HOME-MAKING HELPS

By Wanda Barton

MANY OF US ARE finding new joy in seeing house plants grow and thrive, becoming more handsome all the time. We have learned that flowering plants are more fun than just plain cut flowers, especially those of us that have no gardens of our own.

We beam with pride as a cyclamen, begonia or azalea plant shows new buds and fine open blossoms.

Care For Each One  
We modestly affirm that we are lucky with plants and such but really we know that we have looked after our plants carefully, studying them as carefully as any horticulturist. It is lots of fun, too, and makes for beauty in the home as well.

Plants need such careful watching since no two seem alike. And this is only natural when we remember that the natural habitat of various plants varies from the arid desert to watery swamp. Therefore

an old sheet or other large piece of fabric over them. Then the plants will be just damp enough and prepared for a good soaking with a spray.

Presenting the new - HUDSON SIX  
Only a few dollars more than the lowest priced cars

Hudson Six Sedan with built-in trunk

Never Before so Fine a Hudson at so Low a Price

It's here... the newest of all Hudsons. It's a history-making car, this great Hudson Six... a car that brings you every traditional Hudson advantage, with every 1935 Hudson advancement. Thousands of families will find in this car exactly what they have been wanting. An ideal combination of beauty, flashing performance, astonishingly small operation and upkeep cost, and low price.

It's a big car—16 feet, 2 inches from bumper to bumper... A powerful car—93 or 100 horsepower... An economical car—more power from less gasoline; 16 to 20 miles per gallon... A rugged car—America's only bodies all of steel... A safe car—big Hudson rotary-equalized brakes... A roomy car—extra wide seats, front and rear... A beautifully styled car—longer, lower bodies; gracefully narrowed radiator; newest upholstery fabrics and body fittings... With Hudson year-round ventilation... With built-in Hudson radio available on all models... With THE ELECTRIC HAND—easier, safer driving; faster, smoother shifting, with both hands always on the wheel (the Hudson Six is equipped with standard gear shift; Electric Hand is optional at small extra cost).

Also on display—Hudson Eight 1760 and up Hudson-built Terraplanes 1585 and up—all prices f. o. b. Detroit

What "Built by Hudson" Means

Motors noted for their smoothness, balance and ability to develop more power than other motors of comparable size.

World's greatest stock car performance... proved by scores of official A.A.A. records, and climaxed by seven new world marks set at Daytona Beach February 11th.

Ruggedness... proved as no other cars have proved it before, in the recent 175,000-mile Ruggedness Run.

Economy of operation and low upkeep cost... proved by sworn statements from thousands of Hudson owners, the world over.

IT'S HERE! READY FOR YOU TO DRIVE Today!

### Spotlight Turns on MacArthur

Behind the headlines which recently told of the huge militarization program planned for United States looms the figure of General Douglas MacArthur, chief of staff of the United States army. MacArthur is the man who championed the war department bill calling for expenditure of \$400,000,000 to build up the nation's armaments. President Franklin D. Roosevelt expressed his approval of MacArthur when he continued him as chief of staff after MacArthur's four-year term had expired last fall. Although George H. Dern is secretary of war, MacArthur is the active directing force in army military affairs. One of his major objectives is mechanization of the army to permit speedy mobilization at a salient point in case of crisis.

**COLUMBIANA**  
Mrs. R. M. Gaver entertained a group of little friends of her daughter, Barbara Jean, in honor of her sixth birthday anniversary. Games and contests were enjoyed and a lunch was served in the diningroom at a long table decorated in pink and white. A birthday cake topped with six pink candles centered the table.  
Places were laid for the honoree, Martha Mae Patchen, Gloria Martin, Marjorie Bilger, Miriam Wilson, Virginia Hepburn, Ruby Buchwalter, Effie Irons, Charlene Searth, Leah Benninghoff, Charlotte Ramsey and Bruce Gaver, small brother of Barbara.

The April meeting of the Daughters of the King was held Tuesday evening in the social rooms of the Lutheran church with 31 members present. Wanda Yarian was a guest. The president, Mrs. Kermit Crouse led the devotions and had charge of the business session. Roll call was responded to by telling a good

joke Mrs. D. J. Miller and Mrs. F. A. Henry were in charge of stunts and the organization orchestra, directed by Mrs. C. O. Biddison, furnished special music. Lunch was served by a committee headed by Miss Alta Much. The next meeting way 7 will be observed as "Mother's Night," with mothers of members as guests.

A marriage license has been issued to a former Columbiana girl, Miss Evelyn K. Wining, Niles, who will shortly be united in marriage with Mr. Harold Brittain of East Palestine. Miss Wining, daughter of Mr. and Mrs. C. H. Wining, 8 Main st., Columbiana, has been employed in Niles for the past year.

Two Columbiana men, Charles Roller and Irwin Lake, are listed among the new men to be employed by county commissioners in the state highway department in the recent changes.

Mrs. R. H. Vaughn was hostess to members of the Do-Drop-In club Tuesday at her home east of town. Following several social hours, lunch was served.

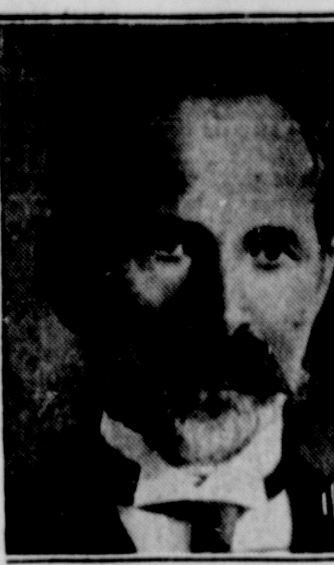

Mr. and Mrs. Leland Johnson and family have moved from their farm east of Columbiana to Salem. David Carney, North Lima, has purchased the Johnson property.

Mrs. J. L. Anglimyer has been brought home from the Salem City hospital, where she underwent an operation six weeks ago.

Miss Mollie Patchen has returned to her home in Wilkesburg, Pa., after a visit of three weeks with her brother, G. G. Patchen, and family.

**PATTY'S BIRTHDAY CAKE**  
PATTY: YOUR BIRTHDAY CAKE IS LOTS BETTER THAN THE ONE WE HAD AT BETTY ALLEN'S PARTY!  
SH-H! MRS ALLEN WILL HEAR YOU! SHE'S RIGHT THERE TALKING TO MOTHER!  
HE'S RIGHT! YOU CERTAINLY CAN BEAT ME MAKING CAKES MRS. HOLT.  
I NEVER MADE VERY GOOD ONES MYSELF, MRS. ALLEN, UNTIL I TRIED CALUMET BAKING POWDER!  
IS THAT REALLY WHAT GIVES YOUR CAKES SUCH A SOFT VELVETY TEXTURE?  
EVERY TIME! BESIDES, CALUMET'S VERY ECONOMICAL! THE REGULAR PRICE IS DOWN TO 25¢ A POUND NOW!  
YOU USE SO LITTLE—JUST ONE LEVEL TEASPOON TO THE CUP OF SIFTED FLOUR IN MOST RECIPES YOU SEE, CALUMET IS THE DOUBLE-ACTING BAKING POWDER AND—  
DOUBLE-ACTING MEANS THAT CALUMET COMBINES TWO DISTINCT LEAVENING ACTIONS.  
A QUICK ACTION FOR THE MIXING BOWL—SET FREE BY LIQUID. IT STARTS THE LEAVENING PROPERLY.  
A SLOWER ACTION FOR THE OVEN—SET FREE BY HEAT. IT PROTECTS THE BATTER OR DOUGH ALL THROUGH THE BAKING.  
"That's why your baking is bound to be better with Calumet's Double-Action. And notice the small thrifty Calumet proportion in Patty's Birthday Cake—just one level teaspoon to the cup of sifted flour!"  
**PATTY'S BIRTHDAY CAKE** (2 egg whites)  
2 cups sifted Swans Down Cake Flour  
2 teaspoons Calumet Baking Powder  
1/4 teaspoon salt  
4 tablespoons butter  
1 cup sugar  
2 egg whites, unbeaten  
1/4 cup milk  
1/4 teaspoon vanilla  
1/4 teaspoon almond extract  
Sift flour once, measure, add baking powder and salt, and sift together three times. Cream butter thoroughly, add sugar gradually, and cream together well. Add egg whites, one at a time, beating very thoroughly after each addition. Add flour, alternately with milk, a small amount at a time. Beat after each addition until smooth. Add flavoring. Bake in greased pan, 8 x 8 x 2 inches, in moderate oven (350° F.) 30 minutes. Spread boiled frosting on top and sides of cake; sprinkle with Baker's Coconut, Southern Style, tinted a delicate pink. Insert tiny pink candles in frosted cake.

## WHY YOU CAN TAKE ADVANTAGE OF BULK BUYING

with ICE to preserve your perishable foods

### 1 SAFE COOLING TEMPERATURES

No danger of fresh foods withering from freezing temperatures with ice.

### 2 BALANCED MOISTURE

Supplied from the film of water surrounding the ice. Dried out vegetables cause waste.

### 3 WASHED AND VITALIZED AIR

Air is washed of food odors 5 to 7 times a minute as it condenses on surface of the ice.

• When you see daily bargains in your fruit and vegetable markets, you need never pass up these savings if you protect your food supply in a modern ice refrigerator.

• You can put any and all fresh vegetables and fruits in the modern ice refrigerator. You need not smother them in covered containers to keep them from freezing. You need not worry about contamination because of the rapid circulation and removal of all odors. You need not suffer spoilage loss as a result of dehydration because ice supplies moisture in place of taking it out of foods.

• No ice substitute can give you the natural safe cooling conditions that ice assures in 3-Way Food Protection.

A Review of the  
Day's News  
—By Arthur Brisbane—

THIS IS "the well dressed gentleman's day," celebrated in a considerable number of newspapers. The really well dressed gentleman has an intelligent face, and a clean, inconspicuous. The French say, "The style is the man," meaning style in writing. Common sense says that style in clothes creates the first impression as to man's character, taste and judgment. Youth should dress carefully, simply, neatly. Age should think of dignity. A flannel dressed old man is worse than a carelessly dressed young man.

THE HISTORY of men is written in their clothing. Every intelligent tailor should read Carlyle's "Sartor Resartus." Eclecticists tell you that men and women wore clothes for ornaments long before they were anything for modesty or even to keep out the cold. Ladies had rings in their noses, bracelets on their arms, before they wore clothes. When Darwin went to Patagonia, ladies, quite undressed, rushed modestly into their huts and came out smiling, proud, their hair and faces done, no clothes on.

WISE MEN have appreciated the importance of wise dressing. Voltaire said, "Dress changes the manners." Lavater, "Dress is an index of your contents," and wise Ben Franklin, "Eat to please thyself, but dress to please others." Ben Johnson put it well: "Out of clothes, out of countenance; out of countenance, out of wit." Which, translated, means poorly dressed, you lack self-confidence, and lacking self-confidence, you lack wit. Dress well that others may say of you, "He is a well-dressed man," and, asked, "What did he wear?" reply, "I did not notice."

IT APPEARS that taxpayers in New York pay thirty dollars a week to a Miss Wilcox, born in Indiana, for conducting ballet-dancing classes, free for young New Yorkers. This horrifies some that would not be horrified if told how much it costs to keep up park bridge paths, that teach young and old New Yorkers how to bob up and down on a trotting horse, at an expense far beyond the cost of the ballet dancing lessons. If it is all right to teach one group to bob up and down, why is it wrong to teach another group to dance on the big toe? Is the difference in wealth so important?

DID SOME ONE send to President Roosevelt news about the 22-year-old Russian girl, Marie Aikens, that young Bolshevik person piloted the Russian dirigible Smolny from Moscow to Leningrad in seven hours, and did it safely. The ship is used regularly to train young Russians as pilots. "Capitalist" cities take notice. If a 22-year-old Russian girl can pilot a dirigible without smashing it, many Americans hope the United States Navy will not decide that it cannot do as much. If our Navy doesn't know how to run dirigibles, the President surely can find somebody that does know how to run them. Perhaps the 22-year-old Russian girl, Marie, would come over.

CONSIDER the aged German Eckener, whose old-fashioned dirigible

## "No more tired, let-down feeling for me"

"I reasoned that my red blood corpuscle strength was low and simply took a course of S.S.S. Tonic and built it back."

It is all so simple and reasonable. If your physical let-down is caused by lowered red blood corpuscles—which is all too frequent—then S.S.S. Tonic is waiting to help you... and will, unless you have a serious organic trouble that demands a physician or surgeon.

Remember, S.S.S. is not just a so-called "tonic." It is a tonic specially designed to stimulate gastric secretions, and also has the mineral elements so very, very necessary in rebuilding the oxygen-carrying red corpuscles in the blood.

This two-fold purpose is important. Digestion is improved... food is better utilized... and thus you are enabled to better "carry on" without exhaustion—as you should naturally. You may have the will-power to be "up and doing" but unless your blood is in top notch form you are not fully yourself and you may remark, "I wonder why I tire so easily."

Let S.S.S. help build back your blood tone... if your case is not exceptional, you should soon enjoy again the satisfaction of appetizing food... sound sleep... steady nerves... a good complexion... and renewed strength.

S.S.S. is sold by all drug stores in two sizes. The \$2 economy size is twice as large as the \$1.25 regular size and is sufficient for two weeks treatment. Begin on the upward today.

## Babs' Heart Interest?

Significance is being attached to visit of James Blakeley, New York society playboy, to Reno, for he's a bachelor and was a close friend of Barbara Hutton Mdivani before she was rushed by the Russian.

ible runs back and forth safely, as it has done for years, between Berlin and Brazil, earning money, while Germany builds the greatest dirigible ever built.

MAYOR STEWART, of Camden, New Jersey, telegraphs the news that Camden has launched a two million dollar ocean-going tank steamer. This completes in ten months Camden's five million dollar shipbuilding program, a career, full prosperity straw in the wind. Things ARE better. Why not say so?

SIX WEEKS ago the placid Allies believed that Germany was unarmed. Sir John Simon repeats to the Commons Hitler's statement that Germany's fighting air fleet is as great as Britain's fleet.

Almost as easily as a racketeer prepares for action by buying a revolver, a nation can now prepare for war and destruction by swiftly building an air fleet.

## Today's Pattern
